ENHANCED BENEFIT PLAN SUMMARY OF BENEFITS

UP TO DATE AS AT JULY 1, 2019

INTRODUCTION

This Summary of Benefits has been prepared as an informal reference document to summarize and help you understand the main features of the benefits provided to eligible Plan Members of the Carpenters' Residential Health and Wellness Plan's Enhanced Benefit Plan.

This Summary of Benefits is not a legal document, an insurance policy or a contract, and does not grant or confer any contractual rights.

The Carpenters' Residential Health and Wellness Plan and the Carpenters' Residential Health and Wellness Fund are governed by a Board of Trustees appointed by the Carpenters & Allied Workers Local 27.

The Board of Trustees of the Fund and the Plan reserves the right to amend the Health and Wellness Plan in their absolute and total discretion as deemed appropriate and as permitted by law. Any changes to the Plan will be communicated to Plan Members and such changes are deemed to amend and/or modify this Summary of Benefits and the Plan Member Booklet.

All Accidental Death & Dismemberment (AD&D) and Critical Illness Benefits described in this Summary of Benefits and the rights thereto, are governed by the provisions of the CHUBB Life Insurance Company of Canada Policy Number AB10403501. The Plan's Member Assistance Program (MAP) is provided and administered by Family Services Employee Assistance Program (FSEAP). Emergency Travel Assistance coverage is provided and administered by Green Shield Canada. The Plan's Weekly Indemnity, Supplementary Health Care and Dental Benefits are not insured but are provided on self-funded basis, paid for with the assets of the Trust Fund.

All other benefits described in this Summary of Benefits and the rights thereto, are governed by the provisions of the Master Insurance Policy Number 10042 (formerly Policy Numbers 10077 and 901202) issued by Manulife Financial, and applicable law, including the rules for eligibility and benefit exclusions and limitations. These insurance policies, contracts and Plan Text documents form part of the Plan's Official Documents, which are available from the Plan Administration Office.

The Board of Trustees has retained Employee Benefit Plan Services Limited as the Plan's Administrator to manage aspects of the Health and Wellness Plan including Plan administration and claims payment for many of the Plan's Benefits. You may contact the Plan Administration Office if you have any questions about the Benefits of the Plan or any of the Plan's rules and provisions.

Please review this Summary of Benefits carefully and keep it in a safe place together with the Plan Member Booklet for future reference. A *Benefits at a Glance* chart is attached at the end of this Summary of Benefits as a helpful summary.

SUMMARY OF BENEFITS

You may find that the Plan does not cover every expense you may wish the Plan to pay for. The Plan is established to provide the broadest range of coverage that is suitable for the membership of the Plan. New drugs and treatments will come into the health care environment over time and the Trustees always reserve the right to cover, or not cover any of these and to add limitations to coverage.

Subject to the limitations and exclusions of the Plan's Official Documents, and as described throughout this Booklet, eligible Plan Members and their eligible Dependants qualify for the following benefits:
